It is estimated that nearly \$31 million of potential Earned Income Tax Credit (EITC) funds are unclaimed in our local area when hard-working area families do not file for them at tax time. That money is lost to them – and to the local economy. Additionally, thousands of dollars more is unnecessarily lost when area families pay high fees to commercial tax preparation firms offering Refund Anticipation Loans (RALs) or rapid returns.

Join the VITA team helping these families and our local economy
by providing **FREE** tax return preparation.

The VITA Program is coordinated through the Coastal Bend CA\$H Coalition, a collaborative partnership between United Way of the Coastal Bend, Del Mar College, the IRS, Texas A&M University-Corpus Christi, Goodwill Industries of South Texas, Texas A&M University-Kingsville, and Coastal Community and Teachers Credit Union.
