### **FOR IMMEDIATE RELEASE**

#### **UNITED WAY OF THE COASTAL BEND AND WHATABURGER TEAM UP TO BENEFIT THE BOYS AND GIRLS CLUB OF CORPUS CHRISTI**

**(Corpus Christi, TX)** – The softball fields at the Boys and Girls Club of Corpus Christi will be getting a much needed restoration this Thursday as United Way of the Coastal Bend and Whataburger team up to present the Volunteer Day of Caring. The quarterly community-wide event will begin at 9 am on Thursday, September 27 with teams of volunteers working shifts throughout the day until 4:30 pm. We are very excited and appreciative to have volunteers from Nustar Energy, Best Buy, Grande Communications and the Corpus Christi Hooks to help bring the fields into good playing condition.

With this quarterly event, United Way of the Coastal Bend looks to fill unmet needs in our community while providing a quality volunteer experience for supporters. In an age where non-profit, community organizations are called upon to fill needs in the community, lending your skill and a little elbow grease are often as crucial as a monetary contribution.

As a family-owned company that was founded right here in Corpus Christi nearly 57 years ago, Whataburger knows the value of having people who will give their time to help keep our city beautiful. “Volunteers are vital in any community. That’s why we are honored to be a part of the United Way’s second ‘Volunteer Day of Caring,’” said Todd Coerver, Vice President of Brand Development for Whataburger Restaurants. “All of the people who are taking part in this special day should be commended for giving up their time to help make a difference in our community. Their efforts will no doubt improve the quality of life here in our hometown.”

For seventy years, United Way of the Coastal Bend has been dedicated to addressing and solving the most pressing issues in our local community by bringing together individuals with a varied background and skill set. The common goal is to achieve long lasting changes that prevent problematic issues, before they occur. For further information on how you can lend a hand, please subscribe to our newsletter at [www.uwcb.org](http://www.uwcb.org) or contact John Davis at 361-882-2529. Together, volunteers can create results that no one person can accomplish.
