United Way of the Coastal Bend

We all have power- power to change people's lives and shape our community. When we reach out our hand to one, we influence the condition of all. When you give to United Way, you are helping to address our community's most pressing issues while helping those in need right now. Your contribution is invested in programs that are getting results and making a difference. We invite you to be part of the change. **GIVE. ADVOCATE. VOLUNTEER.** [www.uwcb.org](http://www.uwcb.org)
