How Dee Dee LIVES UNITED

Dee Dee has been a generous supporter of United Way for more than 25 years.

When you talk to Dee Dee, you immediately realize that serving others has been an integral part of her life. As a teacher for Corpus Christi Independent School District for the past 13 years, she contributes her time and talents to positively impact and shape the lives of young people in our community.

"Many years ago, I worked for a non profit organization that was fortunate to have the support of the United Way. I saw first hand how important the United Way funds were to an operation on a limited budget. Now I am a third grade teacher at Robert Wilson, in CCISD, & I am trying to teach my students the importance of giving back to the community."

In addition to her service throughout the community, Dee Dee has contributed to United Way of the Coastal Bend for more than 25 years. Her years of support designate her as a member of the Loyal Contributors program. She says, "[when I donate] I know my dollars are joined with thousands of others to make the most impact. It's a team effort, and as a long time United Way supporter, a team I am glad to be on!"

One of the benefits of donating through United Way is that

utility assistance, prescription assistance, transportation, etc.

several organizations can be helped through your gift. Dee Dee said, " There are so many worthy organizations, but how could I ever choose which ones to support? I don't have to! When I donate to United Way, I am, in a sense contributing to every group listed on the United Way pamphlet. It's so easy to write a check, & even easier to set up a modest auto-draft for each pay check."

United Way of the Coastal Bend is proud to salute Dee Dee Jones for her outstanding support of United Way in our community and for showing others what it truly means to **LIVE UNITED.**
