Every day, donors like you change someone’s life. Our monthly newsletter is a way to share success stories so you know how your donations help the Coastal Bend community.

The Gift of Time

Philanthropy goes beyond monetary donations. Giving time is just as important when it comes to changing someone’s life.

Guadalupe Wright is known as Ms. Gigi by the children of the Boys & Girls Club of Alice. She’s been a regular volunteer for the past three years after the unfortunate passing of her only son.

“The children, they give her life,” said Rick Del Bosque, Executive Director.

Ms. Gigi spends time with the children after school handing out snacks and hearing about their day.

“I will continue to do this until the Lord calls me to his home,” said Ms. Gigi.

Ms. Gigi’s story shows that volunteering can change a life in more ways than one. Watch her video to learn more about how volunteering has a positive and lasting effect for everyone involved.
