Every day, donors like you change someone’s life. Our monthly newsletter is a way to share success stories so you know how your donations help the Coastal Bend community.

Your Gift Helps Our Future Leaders

United Way of the Coastal Bend believes every child deserves a chance at success. Your donations help fund programs that give children the opportunity to develop leadership skills, give back to their community and grow into civic-minded, high-achieving adults.

Francisco is a prime example of the effect of your contributions on Coastal Bend youth. He joined Cub Scouting through the council’s first Scoutreach program at Zavala Elementary. Without this program, he wouldn’t have had the opportunity to join the Boy Scouts, have his own uniform or gain new experiences with his peers on field trips.

Since joining the program, Francisco has served as Camp Karankawa staff helping younger children earn their merit badges, was elected as the Order of the Arrow Lodge Chief and earned his rank as Eagle Scout. He is currently active in his school’s robotics program and plans to attend Texas A&M University - Corpus Christi.

Your support for United Way of the Coastal Bend gives future leaders like Francisco the hand-up that they need to reach their highest goals.

Help Local Students by Supporting Operation SOS

More than 45,000 Coastal Bend children don’t have the basic school supplies needed for their first day of school. Every year, we partner with H-E-B and KRIS Communications to raise money and purchase supplies so these students can have a successful start to the school year. Visit our website for the five easy ways you can help and come see us in participating stores July 30th-August 3rd.
