Every day, donors like you change someone’s life. Our monthly newsletter is a way to share success stories so you know how your donations help the Coastal Bend community.

The Courage in Starting Over

Kerigna spends her days shadowing a special needs student and studying for her college degree in special education. She's come a long way from where she was just a few years ago.

After dropping out of high school at 15, Kerigna spent her days partying and developed a substance abuse problem. She returned home after months of being on her own and started her road to recovery. After she got clean, she saw all of her peers graduating and moving on to college.

That's when Kerigna enrolled with the San Patricio Literacy Council and earned her GED – the first stepping stone toward a college degree, a career and a better life.

When you give to United Way of the Coastal Bend, you have a hand in providing that chance to start over for those brave enough to take it. Your gift connects people to the right resources that help them grow, learn and work hard to build a better life for themselves and their families. UNITED WE ALL WIN!

Supporting Successful Futures

There are bright young minds throughout our community that need that one hand-up to achieve their dreams. We use your donations to connect these children to the right resources and help them become the successful members of society they’re meant to be.

2018 Campaign Video

United Way of the Coastal Bend fights for the education, health and financial stability of every person across 60 communities. What's raised here, stays here and your donations help people change their lives long-term. We must LIVE UNITED because UNITED WE ALL WIN.

Still Time to Register
