The Success By 6 Early Childhood Coalition helps ensure children in Nueces County, prenatal to 5 years old, are physically, intellectually, socially and emotionally prepared for Kindergarten. Our initiatives support families and the community in creating environments where children are safe, healthy and ready to learn. This document is the collaborative work of the Success By 6 Safe Children Committee whose partners include: MCH Family Outreach; CASA, DFPS; ECI Project Ninos; Coastal Bend Wellness Foundation; and United Way of the Coastal Bend's Success By 6.
